

CENTRAL POLLUTION CONTROL BOARD  
( PCI-II Division )

Work Order

1. **Shri S.K. Arora, Sc. 'D'**

Work related to mining (all sector pertaining to PCI-II).

2. **Shri Suneel Dave, Sc 'D'**

Shri Suneel Dave will be engaged for the coordinating of following activities:

- Preparation of Environmental Status report on Coal mines & Coal washeries.
- Preparation of status report of Sulphuric Acid Plant utilizing off gases in Copper, Zinc and Lead smelters.
- Preparation of status report on compliance of floorage emission in Aluminium Plant.
- Development of Clean Technology and Environmental Standards for bauxite mining.
- Development of Clean Technologies and Environmental Standards for Ferro-Alloys industry.
- Any work related to non-ferrous smelter
- Coal mining and Non-ferrous mining.
- Works related to ESS / VIP complaint / RTI / Parliament Matter / Court Matter.
- Any other works to be assigned by the Divisional Head time to time

Shri Suneel Dave will report to I/c PCI-II Division.

3. **Dr. Prashant Gargav, Sr.EE**

Dr. P. Gargav will coordinate the following activities.

- National Task Force for Iron & Steel Industry.
- Implementation of Pollution Control measures in Iron & Steel Industries and sponge iron plant.
- Review and harmonization of emission & effluent standards for integrated iron & steel plants.
- Iron ore mining.
- Co-processing of wastes in Steel plant.
- Development of guidelines for control of fugitive emission in steel plant.
- Development of emission factor for various units of an integrated steel plant.
- Works related to ESS / VIP reference / RTI / Parliament Matter / Court Case.
- Any other works will be assigned by the divisional head time to time.

He will report to I/c PCI-II Division.

4. **Shri P. K. Gupta, Sr. E.E.**

Following activities will be coordinated by Shri P. K. Gupta:

- Assessment for Air Pollution from Cement Plants using pet-coke as fuel.
- Techno-economic feasibility co-generation of power by waste heat recovery in cement industry.

contd.....

- Life Cycle Assessment of Cement Plants based on alternate fuels.
- Descriptions of Clean Technology and development of Environmental Standards for limestone mining.
- National Task Force for Thermal Power Plant.
- Assessment of Fluoride Emission from coal/lignite Thermal Power Plant.
- Co-processing of wastes in cement/thermal power plants.
- Standing committee on emission from RIC engines for off-road applications.
- National committee on Noise Pollution Control.
- Implementation of noise/emission standards for generator sets.
- Development of Noise Limits for off-road vehicles & construction units.
- Compliance testing of fire crackers.
- Conducting of training programme on noise pollution control & implementation for the implementing authorities.
- Any Work related to Cement Plants, TPP, Noise Pollution, Generator sets.
- Works related to ESS / VIP reference / RTI / Parliament Matter / Court Matter.
- Any other works will be assigned by the I/c PCI-II division time to time.

Shri P. K. Gupta will report to I/c PCI-II Division.

**5. Shri Rajesh Debroy, E.E.**

Shri Rajesh Debroy will be associated with Shri Suneel Dave, Sr. EE for carrying out the following works.

- Preparation of Environmental Status report on Coal mines & Coal washeries.
- Preparation of status report of Sulphuric Acid Plant utilizing off gases in Copper, Zinc and Lead smelters.
- Preparation of status report on compliance of floorage emission in Aluminium Plant.
- Development of Clean Technology and Environmental Standards for bauxite mining.
- Development of Clean Technologies and Environmental Standards for Ferro-Alloys industry.
- Any work related to non-ferrous smelter
- Coal mining and Non-ferrous minning.
- Works related to ESS / VIP complaint / RTI / Parliament Matter / Court Matter.

Any other works to be assigned by the Divisional Head and sh. Suneel Dave time to time.

Shri Debroy will report to Shri Suneel Dave, Sr. EE.

**6. Dr. S. K. Paliwal, Sc. 'C'**

Dr. S. K. Paliwal will be associated with Sh. P. K. Gupta, Sr.EE for carrying out of following works:

- National Task Force for Thermal Power Plant.
- Assessment of Fluoride Emission from coal/lignite Thermal Power Plant.
- Co-processing of wastes in cement/thermal power plants.
- Any work related to Thermal Power Plant
- Work related to Cement Plant
- Works related to ESS / VIP reference / RTI / Parliament Matter / Court Matter
- Any other works will be assigned by I/c PCI-II division and Sh. P K Gupta time to time.

Dr. S. K. Paliwal will report to Sh. P. K. Gupta.

**7. Shri Kedar Nath Das, Sc. 'B'**

Shri K. N. Das will be responsible for the following activities:

- Standing Committee on emission from RIC engines for off road application
- National Committee on Noise Pollution Control
- Implementation of noise / emission standard for generator sets
- Development of noise limits for off road vehicles and construction equipments.
- Works related to issuance of Type approval for generator sets.
- Conducting of training program on noise pollution control & implementation for the implementing authorities.
- Any works related to VIP reference / RTI / Parliament Matter / Court Matter.
- Any other works will be assigned by I/c PCI-II Division time to time .

Shri K. N. Das, Sc.'B' will report to Sh.P.K.Gupta, Sr.EE.

**8. Shri Ankur Tiwari, AEE**

Shri Ankur Tiwari, will be responsible for the following works:

- Odour measurements and option to control odour.
- Compliance testing of fire crackers.
- Any work on noise pollution related with airports.
- RTI / Court Case / VIP reference related to noise pollution in airport areas.
- Any other works will be assigned by I/c PCI-II Division and Sh. P K Gupta time to time.

He will directly report to I/c PCI-II Division for the work related to noise pollution in airport.

His overall reporting officer will be Shri P K Gupta, Sr. E.E.

**9. Ms. Gareema Sharma, AEE**

Ms. Gareema Sharma will assist Dr.Prashant Gargav, Sr.EE in the following works:

- National Task Force for Iron & Steel Industry.
- Implementation of Pollution Control measures in Iron & Steel Industries.
- Development of guidelines for control of fugitive emission.
- Development of emission factor for various units of an integrated steel plant.
- Co-processing of wastes in Steel plant.
- Any work related to Iron & Steel industry.
- Work related to ESS / VIP reference / RTI / Parliament Matter / Court Case.
- Any other works will be assigned by the I/c PCI-II Division and Dr.P Gargav time to time.

She will report to Dr. Prashant Gargav, Sr.EE.

**10. Mrs. Hemlata Raheja, Private Secretary**

- To assist I/c PCI-II in all secretarial work i.e. dictation and typing work, to attend telephones, to attend visitors, to supervise movement of files & papers of PCI-II Div., to maintain appointments of I/c PCI-II.
- Updation & Compilation of RTIs, Complaints, Directions issued u/s 18(1)(b), Notices issued u/s 5EPA, ESS, Plan Expenditure, Budget Estimate etc.
- Maintenance of Stationery & Stationery records, Maintenance of Leave Records, Independent noting & drafting, and any other work assigned by I/c. PCI – II Division from time to time.

**12. Shri N. Singh, Sr. Technician**

Shri N. Singh will assist all the project coordinators while carrying out monitoring work as and when required.

He will report to Sh. Suneel Dave, Sr.EE.

**13. Shri Mahendra Kumar Gupta, S.L.A**

He will assist and report to Sh. Suneel Dave, Sr.EE.  
Any other work will be assigned by I/C PCI-II Division.

**11.. Mrs. Dipti Jain, J.R.F.**

- Mrs. Jain will assist & report to Shri P. K. Gupta, Sr. E.E.
- Any other work will be assigned by the I/c PCI-II division time to time.

**14. Sh. Prakash Singh Bora ,DEO**

To attend all Data Entry & secretarial work of Sh. P.K. Gupta & Sh. K.N. Dash Sct 'B'

**15. Ms. Hemlata Bisht, DEO**

To attend all Data Entry & secretarial work of I/c PCI-II & Sh. Mrs. Hemlata Raheja, PS

**16. Sh. Jagdish Chand, Sr. Attendent**

To Distribute all files & Papers of PCI-II Div., Photo-copying work, to attend all officers of PCI-II in all official work.

**( S.S.Bala )**

AD &I/c. PCI – II Division
