

**Minutes of the 39th Registration Committee
Meeting held on 24,25-09-2009**

CENTRAL POLLUTION CONTROL BOARD
HAZARDOUS WASTE MANAGEMENT DIVISION
MINUTES OF THE 39th MEETING OF THE REGISTRATION COMMITTEE
Held At CPCB on September 24-25, 2009

1. Sh. R.K. Garg , Chairman of the Committee welcomed the participants
2. Applications for registration were considered and recommendations were made as per the attached Annexure – A
3. The following points were recommended by the Committee:
 - a) The next Registration committee meeting may be held during the first fortnight of November, 2009
 - b) Representative of HINDALCO, Renukoot made a presentation for refining the coolant oil. The technology for refining the coolant oil was approved and the case will be processed under rule 11 of the HW (M, H & TM) Rules 2008 (Presentation Copy enclosed)
 - c) The data on quantity of waste recycled during last three years (or from the period registration was granted, if registration granted within the last three years) by all the recyclers may be obtained. For those recyclers, who do not furnish their data, registration may be reviewed.
 - d) CPCB shall write to all SPCBs/PCCs, requesting them to ensure that consent to establish to any unit, intended to recycle lead acid battery plates/other lead scrap/lead ashes/lead residues, shall be given only after environmental clearance from the concerned authority.
 - e) CPCB, together with the Association of Oil Refiners should organize a workshop on “ Assessment of Used/Waste Oil Processing”
 - f) The committee was of the opinion that a pilot study needs to be done for the fluoride emission while using “Spent Pot Lining”. Dr. Navin Chandra, AMPRI, Bhopal, a member of the Registration Committee had volunteered the services of their institute to carry out the said study, if requested by HINDALCO, Renukoot.
4. List of participants is given at Annexure I

The meeting ended with vote of thanks to the chair.
