

**Central Pollution Control Board
Environmental Training Unit**

F.No. B-13011/ETU-Main/ETU/2017-18/2405

Dated: 10.01.2017

CIRCULAR

The Environmental Training Unit (ETU) has been organizing training programmes for officials of CPCB, SPCBs, PCCs and other Government Organizations engaged in prevention, control and abatement of pollution. ETU is in the process of finalizing the training calendar for the Financial Year 2017-18. With the growing environmental concerns and challenges, there is a need to revisit and reorient the training requirement. It is, therefore, requested that areas/specific fields/requiring capacity building be specified alongwith area/topic presently not covered according to the functional requirements and technological advancement.

For finalization of the training calendar for the year **2017-18**, it is requested that details such as modules/course content, duration (3 or 5 days), practical & theoretical sessions, field visits, hands-on-training as required to be provided alongwith the names of reputed training institutes having capacity to organize the training programmes on the related topics and other details be forwarded to Shri M. Varghese, Administrative Officer, Environmental Training Unit through **Fax: 011-22300070** or **E-mail: mvarghese.cpcb@nic.in** by **27.01.2017** positively.

Timely submission of information will help in finalizing the training calendar for **2017-18** well in time.

(M. Varghese)
Administrative Officer
Environmental Training Unit
