[CIRCULAR]

This is in continuation of the earlier note, dated 22.10.2013 wherein all the Divisional Heads/Incharges/Zonal Officers were directed to ensure that the Bank Guarantees taken in compliance of the directions issued under Section 5 of the Environment (Protection) Act or otherwise are encashed or their validity extended well in time to avoid any possibility of these getting lapsed.

However, it has been observed that the practice of allowing the Bank Guarantee (s) to lapse in absence of timely follow-up is still continuing.

The Competent Authority in CPCB has viewed seriously the issue of Bank Guarantee being allowed to lapse by various Divisions/Sections in the last few months.

All the Divisional Heads/Incharges/Zonal Officers are again directed to ensure that the Bank Guarantee received are encashed or their validity extended well in time to prevent these getting lapsed.
