Sir,

This has reference to your aforesaid communication and e-mail date 31.07.2018 & 01.08.2018 respectively to this office. It is to inform that your unit has been inspected by officials of CPCB, RD (Bangalore) and Telangana SPCB from 18.06.2018 to 20.06.2018 to present a factual report on public grievance(s) regarding violation of Environmental regulations and consequences on surrounding habitat.

During the said inspection, gross violation of environmental norms was observed which posed severe threat to environment. In view of this CPCB issued Closure Direction dated 23.07.2018 to your unit. The major violations as observed by the inspecting team have been mentioned in the Closure Direction dated 23.07.2018. Further, CEMS of your unit found not connected with the CPCB server as on 03.07.2018.

It is already clarified in the Closure Direction that "the unit shall be permitted to operate only after rectification of observed shortcomings, improvement in emission and fugitive emission control system and submission of adequacy assessment report from expert Govt. Agencies such as NEERI / IITs/ MECON," you are therefore requested to fully comply with the directions. Therefore, revocation of the aforesaid Directions may only be considered on achieving compliance and submission of complete compliance report to this office.

Yours Faithfully,

[Nazimuddin]
