EXPRESSION OF INTEREST

CPCB is seeking participation of start-ups/firms in the field of development of reliable technology for air quality monitoring and data management to strengthen the Ambient Air Quality Monitoring Network in various parts of the country. These technologies can be used for identifying hot spots, air quality profile, understanding local sources by deploying them in closer network and air quality awareness amongst the public. For discussing and analysing the use of various aspect of monitoring and data management, it has been decided to organize meeting with start-ups/firms working in the area of air quality monitoring and data management.

2. Accordingly, Central Pollution Control Board (CPCB) invites online Expression of Interest (EOI) from Start-ups/firms working in area of air quality monitoring and data management. A performa for providing information of start-up/work details can be downloaded from the CPCB website www.cpcb.nic.in. The application for Expression of Interest should reach to CPCB latest by **10.01.2022** through E-Mail at aqmn.cpcb@gov.in The short listed start-ups/firms will be invited for meeting/presentation.
