## **35<sup>th</sup> Analytical Quality Comparison (AQC) Exercise**

# **Intimation - Sample Dispatch**

Central Pollution Control Board (CPCB) is conducting 35<sup>th</sup> Analytical Quality Comparison (AQC) Exercise for Environmental Laboratories recognised under E.P. Act 1986 for pesticides compounds (in water matrix) in collaboration with Proficiency Testing Centre (PTC), NIPHM, MoA&FW, Hyderabad.

PTC (NIPHM) will dispatch the sample in the month of June 2023, hence all the laboratories that are registered for the program are requested to be ready with the analysis requirements.

The intimation to the participants regarding sample dispatch will be done by 30.05.2023.

The participants will be informed again 2-3 days before the actual dispatch.
