Haryana

Sub: Warning/Caution Notice regarding complaint received against M/s Logic Ladder Technologies Pvt. Ltd-regd.

Dear Mayank,

It refers to the complaint against your firm alleging that M/s Logic Ladder has been approaching industries claiming that all CEMS data flows through their server and they are authorized by Central and State Pollution Control Boards. It is also alleged that the company sends false alerts to industries.

The data received at CPCB portal is owned by Industries and CPCB/SPCB. SPCBs can utilize the data for further action but for any further display they are required to create separate portal by taking data directly from all the Technology Providers for their specific use in their jurisdiction/state. CPCB data policy is already displayed at CPCB website in this regard.

You are hereby cautioned to ensure that no such activity is carried out from your end giving scope for similar complaints in future. If any evidence is found, action will be initiated against your firm including blacklisting for a period of three (03) years.
